MENTORSHIP AGREEMENT

Rule .0805(4) Mentorship Agreement states that in order to qualify as a mentorship the mentee and mentor must participate in a formalized mentorship agreement that designates the responsibilities and plan of activities of the mentor and mentee in meeting the objectives that are to be met by the mentee. These activities must be related to the development of new occupational therapy skills outside current required job performance and must be between two (2) OT professionals. A licensee may earn one (1) point for each four (4) hours spent in mentorship activities up to a maximum of five (5) points.
